Date: 9/29/2015

Location: Capri Theater

Time: Evening

Number of attendees providing input: 30+/-

Invitations sent: Northside Neighborhood Council (NNC)

Staff notes: MPRB and City staff attended the existing event hosted by NNC. Staff presented a 3 minute video of possible river oriented destinations and invited people to provide input at a table afterwards. Purpose was to raise awareness of the upcoming project and get initial community input.

General Comments Received

- Create a youth run bicycle shop!
- The entire UHT should be park. In any other area of Minneapolis this area would be entirely park and no development would be proposed.
- Want to travel in a boat and be able to dock where you can fish
- Prairies
- Off-road trail
- Boardwalk

The goal is to better understand what the community envisions as a successful riverfront destination. The question was asked **"What would bring you to the riverfront?"** Each community member was given 5 dots and each number represents the number of dots placed on each picture and category.
