How can development at the Upper Harbor Terminal best benefit the community?

- Outdoor oriented public school (7/11/16- river oriented)
- City and Park Board need to provide good paying jobs to offset gentrification effects.

SE ASIAN COMMUNITY ROUND-TABLE 5/6

General comments

- Even if events/programs are free, the cost to park in some regional parks is a barrier to attendance
- What will the impact of development be on residents in the area and will their property taxes go up?

URBAN LEAGUE OPEN HOUSE 5/24

What does a successful Upper Harbor Terminal project look like?

- Jobs - we must create good jobs (7/11/16- Living wages)
- Being honest about I-94 and the river's role in racial segregation and disinvestment in the Northside
- Affordable housing, black and Hmong owned business
- A project **and** engagement process that ensure the voice and vision of community members so that we build a project **together** that will encourage biking, walking, create a safe space for community/public activities, help improve recreation options for residents, increase home values, and draw new residents and investments.
- Living wage jobs. Job park critical to closing the gaps.

What qualifications should a development team have?

- Connections to neighborhood
- A racial justice frame work and mission
- Staff of color
- Commitment to equity and local (Northside) hiring on all build out, development and engagement
- Experience with doing development projects that impact low wealth communities and communities of colors (i.e. community benefit agreements).
- (7/11/16- local requirement for inclusion or development team)

What other questions should be ask the community?

What other information should we share with the community?

- A water shad
- Cleaning up the toxic waste in rivers like filters
- Gym
- New fancy food place
- A café thats fun or smooth place or bakery
- A bike shop
- Art

Themes from Comments

- Development activates and complements the park
- Enhance the economic and community vitality
- Create high quality jobs/housing targeted to local community
- Offer youth employment and training
- Provide creative and entrepreneurial space

Impact on Request for Qualifications

- Request that the developer show experience with integration of uses and mixed development types

Characteristic of Success

- Includes high quality private development

NORTHSIDE HOUSING FAIR 3/12

What would bring you to the riverfront?

- Local artist
- A forum for people to show that Northside is not bad!
- Local artists - entertainment
- Families need to know that they *can* raise children in Minneapolis

VICTORY NEIGHBORHOOD MEETING 3/26

What makes North Minneapolis special? How can we celebrate it on the river?

- Ethnic fairs
- Diversity – events that bring different races and cultures together
- Food
- Access to metro area amenities, housing stock, people, the river, downtown, suburbs, highways

How can development at the Upper Harbor Terminal best benefit the community?

- Entrepreneurs/ business
- Reach out to neighborhood restaurants lease, we have good restaurants who may struggle to get exposure (3 agree)

COMMUNITY CONNECTIONS CONFERENCE 4/2

What makes North Minneapolis special? How can we celebrate it on the river?

- Lower car dependence
- More inclusion and creative community-generated solutions / place-making

URBAN LEAGUE OPEN HOUSE 5/24

What does a successful Upper Harbor Terminal project look like?

- Unique to Minneapolis
- Maximize the benefits of being between the river and I-94
- Experience re-purposing industrial sites while preserving original structures?

What qualifications should a development team have?

- Experience repurposing industrial sites while preserving structures that already exist

What would bring you to the riverfront?

- A big river
- About the river – perhaps a small river museum (7/11/16- great idea)
- Museum using existing structures like Mill City Museum

What other questions should we ask the community? What other information should we share with the community?

- What assets currently exist already between the river and I94?
- What traits are unique to the area between the river and I94?
- How do we capitalize on these traits without sacrificing the area's uniqueness?
- What would make this site an area that will encourage biking, walking, create a safe space for public activities, help improve recreation options on the area, would increase home values, and attract new invested.
- Connect with block club organizations and local churches to get info, connect with resident and listen to the folks who live on Northside.
- What assets already exist between the river and I94?
- How has the area between the river and I94 previously and presently been used recreational by the people of Minneapolis.
- How do we protect assets already there while also creating new assets for the community?

General comments and river maps

- Boat house for racing / rowboats
- Keep at least one dome thing for?
 - Music venue
 - Amphitheater
 - Cold area for frozen treats cooling down
 - Kayaking
- Save the party spaces. Incorporate into existing plans.
- Place to be 24/7 for art vibrancy opportunity
- Cold Storage warehouse area?
 - Education institute / expansion of the U of M
 - Living wage/job park
 - Work with artists to activate engagement before and be engaged before and during development
- Have electric boats to ferry people around, like a water taxi, especially now that the locks are closed. USACE has small electric boats that would be perfect, hold 2 people. But there need to be cool destinations for people to boat to!
- Get people on water rather than fill up land with stuff. Have a floating bar on the water or floating food trucks on pontoons.
- I love the idea of “connecting” geographically to the neighborhoods. A freeway is a clear divider, whereas a river can be a connector on many levels

FOLWELL ICE CREAM SOCIAL 6/16

What does a successful Upper Harbor Terminal project look like?

- Battle boats

FOLWELL OPEN HOUSE 6/25

What would bring you to the riverfront?

- The river brings me to the river: space to enjoy it is sometimes blocked (7/11/16- Yes! its about the river!)

JUXTAPOSITION ARTS YOUTH RIVER/KAYAK 6/29

What do you think would make the river more enjoyable?

- Kid friendly
- Clean it up
- More opportunities for kids to kayak and be on the water
- Riverwalks
- Having activities to participate in
- If it was clean
- More activities and beautiful sights to see, keeping it clean
- Places to eat and relax
- More chances to get on the water for people who don't have their own boats
- Stuff to do/art
- Cleaner water so I can swim
- I don't know

Would you rather

- (A) **Have an overlook of the river?** (4 votes)
 (B) **Access to the shore?** (7 votes)

Themes from Comments

- Oriented toward the river
- Involve local businesses and entrepreneurs
- Provide programmable space for community groups
- Reflect variety of cultures in North Minneapolis

Impact on Request for Qualifications

- Request that developer demonstrate projects that draw inspiration from local character and focus on place-making
- Request a description of approach to capitalizing on the strength of the site and community

Characteristic of Success

Feels unique to this specific place

The goal is to better understand what the community envisions as a successful riverfront destination. The question was asked "What would bring you to the riverfront?" Each community member was given 5 dots and each number represents the number of dots placed on each picture and category.
