- *(Liability waiver required)

5:00-6:30pm Open House:

- *View the 3D model by Juxtaposition Arts apprentices and share input on possible improvements
- *Provide feedback & talk to staff about project equity in an informal setting

6:30-8:00pm Equity Discussion

- *We'll throw some ideas, templates, and samples on the table and have an open discussion about equity throughout this project

The Upper Harbor Terminal is a 48-acre, mostly riverfront, City owned site in North Minneapolis, generally between the Lowry and Camden bridges.

We wish to encourage participation by everyone to our programs, activities and services. If you feel you need an accommodation in order to fully participate because of a disability or language interpretation need, please call Cindy Anderson at (612) 230-6472 or email canderson@minneapolisparcs.org.

We plan to have a staff member fluent in Somali at this open house and meeting. Please request other languages as far in advance of the event as possible and we will try to have interpreters present.

**City Clerks office plans to have a table where you can register to vote at this meeting.*
